

COMPOSTING & RAINWATER HARVESTING TALK

Monday 13th September 2021
7 – 8.30pm at Heworth Without
Community Centre, 38 Applecroft
Road, Appletree Village YO310ND

Composting is nature's brilliant way of recycling, turning "waste" into a fantastic resource. It's also really easy to do, great for your garden as well as the planet, and it's free. Learn how to get started, or resolve problems, from St Nicks Sustainability Officer Ivana Jakubkova, who will also provide tips on rainwater harvesting and introduce you to the work of the charity.

ADVANCED BOOKINGS PREFERRED SO THAT THE ROOM CAN BE SET UP ACCORDINGLY

Please contact Gayle Enion-Farrington on clerk.hwpc@gmail.com to book your place. Please state your Name, No. of Participants in the group and contact details (contact no. for the day) or simply turn up on the evening. A Negative Lateral Flow test is preferred and all attendees must adhere to the COVID19 Risk Assessment of the Community Centre at the time of the event.
