75/2021. Heworth Without Parish Council Administration:

- a. To consider options for meetings if Powers of Remote meetings are not being reviewed by government

It was noted that the application to the High Court made by Lawyers on behalf of Local Government (LLG), Association of Democratic Services Officers (ADSO) and Hertfordshire County, in relation to virtual meeting provision for local authorities, was dismissed. That is, the High Court has ruled against the bid to enable local councils to continue meeting remotely.

It was resolved that should social distancing measures still be required at our next meeting on 21st June 2021, for the necessary face-to-face public meetings we need to devise a solution such that councillors can be in one room safely together with some members of the public. **It was approved** that all councillors should meet informally via zoom a few days before the formal council meeting in order to discuss and resolve upon the matters included in the agenda; the Clerk to take detailed notes. At the scheduled public face-to-face meeting in the community centre a few days later a Quorum of 3 councillors will review and confirm the Clerk's notes and formally adopt them as the record of the Council's decisions.

- b. To review Financial Regulations to bring them in line with newly reviewed Standing Orders. Including to consider Standing orders and the Financial Regulations in regard to limits set for obtaining quotations and estimates with ordinary tenders for work - suggested max. £25,000 or £30,000 for tender requirements.

To consider that in months when meetings do not take place inc August, the Clerk/ RFO must still submit all monthly financial documents as usual to full council via email and to include this stipulation in the financial regs.

It was resolved to increase the maximum specified in Financial Regulations for obtaining quotations and estimates for work with three ordinary tenders to £30,000.

It was agreed to postpone the decision to approve the full Financial Regulations until the June 2021 Meeting as Cllr R. Clayton and Cllr D Gibbon are reviewing them in detail and ensuring they concur with the Standing Orders too.

- c. To consider obtaining a Barclays Bank debit card in the Parish's name, for the Clerk/RFO, so that all purchases are bought by the Parish and not by the Clerk's personal finances and then reimbursed. This is a recommendation from the internal auditor and has VAT implications if we do not do it.

It was resolved to accept this recommendation from the internal auditor and apply for the Barclays Bank debit card in the Parish's name, for the Clerk/RFO to use. Cllr R Clayton and Cllr D Gibbon will include a limit of £500 monthly spend in the Standing Orders and Financial Regs.

- d. To consider and approve HWPC current Financial regulations (on website) and delegated powers for when meetings will not take place - inc August and if COVID restrictions affect face-to-face meetings and we do not have powers for remote meetings. (Specifically the current regs allow the Clerk to pay most things, but not over £10000.)

- e. To consider delegated powers to allow the RFO to pay invoices for pre-agreed amounts, even if over £10000 (ie the soon-to be installed set of climbing rocks &c). To consider a requirement that the RFO must email full council / or Chairman in advance. Note – all payments via the online banking system have to be authorised by a second signatory and this will remain unchanged.

It was resolved to give delegated powers to allow the RFO to pay invoices for pre-agreed amounts.

- f. To approve the Management Risk Assessment document of November 2020 as per the internal audit.

It was resolved to approve the Management Risk Assessment document of November 2020 and also to update it again for/from May 2021 so that it is brought into line with the new Insurance details and policy amounts.

It was resolved to approve the Management Risk Assessment May 2021.

- g. To approve the Fidelity Guarantee Insurance as per the Internal auditor's recommendations. "The level of fidelity guarantee insurance held by the council is £25,000. Balances held at 31 March 2021 were around £60,000. Using the generally applied criteria of balances at the 31st March plus half the precept an adequate level of cover should have been around £70,000 as a minimum". Policy due for renewal end of May 2021.

It was resolved to approve that our new Policy will cover us for £100,000 and is documented in Mgt Risk Assessment May 2021.
