Residents, local organisations, and interested community members are invited to join us for an important and engaging discussion about the future of our parish.

Event Details

 Date: Monday 8th December 2025

 Venue: Heworth Without Community Centre, 38 Applecroft Road, Heworth, York

 Time: 7:00pm – 8:00pm

What to Expect

Gain a clear understanding of what a plan is, why it matters, and how it will guide local development and community priorities. We want to hear what you value most about the parish, what improvements you'd like to see, and any concerns you believe the plan should address. Members of the Working Group will be available to answer questions about the process and opportunities to stay involved.

Why Your Input Matters

The Neighbourhood Plan is a community-led document with real influence over planning decisions in Heworth Without Parish. Your participation helps ensure the plan genuinely reflects local priorities, protects what matters, and supports appropriate future development. Whether you have strong views about local green spaces, housing, transport, community facilities, or simply want to learn more, your presence will make a meaningful difference.
