Update on the MUGA – Did a consultation with Hempland school regarding on the MUGA. Favourite was to build a MUGA. Children from years 2-6 were included in the survey. Out of 233 responses the results were:  
 As is – 0, Two separate areas - 30, Smaller full pitch – 70, Existing (30 x 12) full pitch - 133.

Biggest news is the imminent Local Plan, with high level confidence that the Local Plan will be approved this year. If the changes to the National Planning Policy Framework (NPPF) are agreed it immediately increases the base line to 1250 houses. So the figure could end up being 1500 homes per annum. Thus there is a possibility that Local Plan could go straight to a review as it would not be fit for purpose and most concerning could promote permitted development which may not benefit the local community.
